From the Principal’s desk

Staff and students were honoured to have the Mayor of Temora, Councillor Rick Firman spend the day at Temora Public School on Wednesday.

Councillor Firman presented certificates to the Times Tables Champions and a photography award to Kate Harper. Kate’s photo of English elm trees was highly commended in the primary section of the Regional Primary Industries Photography Competition. Congratulations Kate.

The Mayor reminisced fondly about his days in primary school and was able to recall the names of all his classes and teachers. He told students that when he was in Kindergarten, he and a friend became locked in the storeroom for half a day. Emergency services were called to get them out!! Councillor Firman explained that he spent a considerable amount of time at T.P.S. standing in the corner as he talked too much! Maybe he was practising for his future leadership role.

We certainly kept our Mayor busy with classroom visits, the Visions of Temora presentation at the Town Hall, observation of the Minilit program and participation in the Stage 3 sports afternoon at T.H.S. It was wonderful to see how enthusiastic the children were to ask questions and engage with Councillor Firman. We were delighted that he dedicated a full day to spend time at his old primary school.

Parents are advised that in 2015, there will be two school development days at the beginning of the year. These days will be Tuesday 27th and Wednesday 28th January. Students in Years 1 to 6 will return on Thursday 29th January and Kindergarten will start school on Monday 2nd February. Staff from five local public schools will combine for a day of professional learning. This extra development will take the place of the one scheduled for the end of term 4, 2015.

This week we welcomed Miss Carly Byrne to Year 5/6 Firestone. Carly is studying teaching at Newcastle University and will spend four weeks at Temora Public School.

Regards,
Sharon Reardon
Principal
