From the Principal’s desk

Students enjoyed participating in the final scripture lesson for the year, which took the form of a Christmas service held at Sacred Heart Catholic Church on Friday. Some of our students participated in the nativity play and are pictured in the photo to the right below. A very big thank you is extended to our dedicated group of scripture teachers who provide spiritual guidance to our students each Friday. We appreciate your commitment to our school.

Student progress reports were sent home today. These reports reflect the effort and achievement of students across the six Key Learning Areas over the past semester. In reading the reports it appears many students have a great deal to be proud of as they have put in a high level of effort into their learning. Congratulations!

On Monday we celebrate the achievements of students at the annual Presentation Day which will be held in the M.P.U. at Temora High School at 11.30am. We hope to see a large number of parents, carers and family members at this special occasion.

I would like to commend the students on their excellent behaviour this week as we near the end of the school year. They have been cooperative and enthusiastic about the learning activities presented to them. I would also like to commend the teachers, who have ensured that students are actively engaged in meaningful learning tasks until the last day.

This Sunday evening the school choir will perform two songs at Carols by Candlelight in Gloucester Park. Students are to arrive by 7.20pm for a 7.30pm start, in full school uniform. They may wear Christmas decorations such as a Santa hat or headband if they like.

This will be the final newsletter for 2014. I’d like to wish all school families a very happy Christmas and relaxing summer break. I look forward to seeing you back at school in 2015.

Regards,
Sharon Reardon
Principal

P&C news ...

**CANTEEN VOLUNTEERS**

With a number of canteen volunteers leaving the school at the end of this year, the canteen will be needing more helpers to assist in 2015. The canteen is open on Mondays, Wednesdays and Fridays and relies on volunteers to run successfully. Even if you are able to only help for one day a semester, any extra assistance would be much appreciated. The canteen is run by the P and C, and all profits are used to buy resources for the school. Please give consideration to helping out next year over the holiday break.

A big thank you to those volunteers who have helped make the canteen a success in 2014, and particularly to canteen manager Nurlene Block for her great work throughout the year.

**ART WORKS FOR SALE**

Just a reminder that copies of the class artworks from this year’s art show are available for purchase. The artworks can be viewed at the front office. All orders with payment must be returned to the office by this Friday.
