From the Principal’s desk

Temora was once again able to host a visit from a well respected and significant Australian last week: Her Excellency the Governor of NSW, Professor Marie Bashir. Mrs Reardon and our school leaders Zoe and Dane had a chance to meet Mrs Bashir to share ideas and a wonderful morning tea.

Last Thursday our school basketball team had a great win against Junee North. They now progress to the next level of the knockout against either Young North or Young Public.

Last Friday Abby M, India K and Ruby W represented our district at the Riverina Touch football trials. Congratulations to Abby for making the possibles and probables and India and Ruby for being selected in the Riverina Team. Well done!

Recently Stage 2 and 3 students have been presenting their Multicultural Perspectives speeches.

Congratulations to
Stage 2 finalists: Petrina W, Chelsea H, Victoria R, Katie S and Liam S.
Stage 3 finalists: Jackson M, Zoe M, Taleah W, India K and Kate H.

Mrs Williams will be working with the students on their impromptu skills and selecting the final two students in each stage to represent our school in the competition on June 17.

Regards,
Deidre Flakelar
Relieving Principal

1. Mobile phones at school
There are a couple of students bringing mobile phones to school. Should you need your child to bring a mobile phone to school it must be handed into the front office on arrival at school. Schools are not responsible for the safe keeping of phones. If you need to contact your child during school hours please ensure you follow correct procedures and phone the school to either pass on a message or get your child to come to the phone if practical.

2. Clothing.
Unfortunately, already, a number of jumpers have gone missing. These jumpers have the student’s name on the jumper. Please check your child’s jumpers carefully and if they have brought the incorrect jumper home, please ask them to return it to their class teacher.

Lots of sport ... lots of success!!

PSSA Knockout Girls Basketball

The game started off slow but the girl’s skills developed as the game went on and we had impressive strength in our goal shooting end.

The team ended up coming away with a solid win. We look forward to playing Young P.S at the end of this Term.

Riverina Touch Trials

On Friday the 30th of May India K, Abby M and Ruby W travelled to Wagga to represent the Cootamundra District at the Riverina Touch Trials. The girls played three round games against Griffith, Rebels (mixed districts) and Southern. When the three girls combined to drive the ball up the field they dominated field position. All three girls played outstanding touch football and their skills continued to improve throughout the day.

At the conclusion of the round robin games all three Temora Public School girls were selected to participate in the ‘possible and probables’. India K and Ruby W played some exceptional touch and gained selection in the Riverina Team. Unfortunately, Abby M finished the day with a headache and was unable to play out the ‘possible and probables’.

All three girls played outstanding touch football and their skills continued to improve throughout the day. A great day was had by all in hot weather conditions. The girls represented both Temora Public School and the Cootamundra District with great sportsmanship.

We wish India and Ruby all the best as they represent Riverina at the PSSA Championships to be held in Wagga from August 19th – August 21st 2014.

Soccer

Last Wednesday afternoon 14 boys in year 5/6 went down to the Temora soccer grounds to play a game of soccer against Temora West. We played 25 minute halves.

Sadly we lost 4-1. Everyone played wonderfully and to their best ability. We would like to thank the referees Jake, Ruben and Will.

We would also like to thank all the parents for transporting us and Mrs Williams for coaching us.

Keeping your child safe on the way to school for 5 to 9 years old

- Supervise your child at all times near traffic, particularly when crossing roads.
- Make the trip to school TOGETHER along the safest footpaths and use safe crossing places as an example for your child to follow.
- If you are picking children up from school, have a safe meeting place, then cross the street with them. Never call them over from the opposite side of the street.
- Teach your child how to cross roads safely. Children must first stop at the kerb. Then they need to look and listen for traffic, wait for vehicles to stop before deciding if it is safe to cross.
