See last week’s newsletter for the menu.
Education Week dress up day: what would you like to be in the future?

P and C Meeting next Wednesday, August 6, from 7pm

Guest speaker – Deidre Flakelar
talking about the new Accelerated Reader program.

The Accelerated Reader program has recently been introduced at Temora Public School for all primary aged children. It is aimed at motivating students to enjoy reading by reading books which are appropriate to their level of ability.

To find out more about how this program works, come along to next week’s meeting of the P and C to hear Deidre Flakelar speak about how this program will help our children improve their reading and enjoy the process.

The P and C has already committed to paying for half the cost of the Accelerated Reader program over the next two years. A readathon will take place for a month from Monday, August 18 to Friday, September 12, to coincide with the start of Book Week. All funds raised will go towards the cost of the Accelerated Reader program.

Mrs Flakelar’s presentation will be followed by the regular August meeting of the P and C, with those in attendance welcome to stay on and hear what is going on at our school, including plans for the P and C’s upcoming Art Show on Friday, August 29.
